

# **NEVER** *quit*

As CSEA members, we've accomplished a lot together to improve our jobs and our communities. That's because CSEA members never quit on each other.

## **I WON'T QUIT.**

- I won't quit on my co-workers.**
- I won't quit on my community.**
- I won't quit on my union.**
- I won't quit on the people who depend on me.**

- I want to get involved.**
- I want more information.**
